

## INSTRUCTIONS FOR ORAL PRESENTATIONS

---

During the XVI<sup>th</sup> Regional Congress of the ISBT, Asia, the **Speaker Ready Room** can be found close to the registration area. From this room all presentations will be distributed to the different meeting rooms.

**Please note: Only PowerPoint presentations made in Microsoft Office XP or earlier versions will be accepted.**

Use embedded pictures and animations only; picture and animation links to the Internet or to other files will not be accessible. The overall size of your presentation should not exceed 40 Mb.

1. When preparing your PowerPoint presentation, please use Microsoft. Most PowerPoint presentations will be made in a resolution of 1024 x 768 pixels. All video/data projectors (beamers) at the Congress can visualize these resolutions without a problem. Use standard Windows fonts only, .24 font size can be read easily. Accepted picture file formats: .JPG, .GIF, .TIFF, .BMP, .HTML. Accepted audio formats: MPEG2 standard resolutions, QuickTime 6 or earlier version, Real player 5 or earlier version.
2. To ensure that the presentations are well prepared, we strongly advice you to bring your presentation to the Speaker Ready Room on diskette, CD-Rom or Zip-diskette and check the presentation with the preview technical staff at least **3 hours before your presentation is scheduled**. You may also bring your laptop for copying your presentation to the main computer, which will be used for sending the presentations to the different meeting rooms. The use of your own laptop during your presentation is NOT possible.
3. Single-, double slide and overhead projections will NOT be offered during the XVI<sup>th</sup> Regional Congress of the ISBT, Asia
